### What is the difference between Christmas Show and Recital?

- 1- Christmas Show is optional. If you wish to participate, you have to audition & register. All dancers receive a part. For End of Year Showcase, all students are automatically registered for each class they take weekly.
- 2- For Christmas Show, all costumes are rented from MC DANCE. For End of Year Showcase, dancers keep their costumes.
- 3- Christmas Show has the same costumes that will be used from year to year.
- 4- For Christmas Show, the dances are learned outside of class in additional Friday or Saturday rehearsals. Students must be able to attend each additional rehearsal in order to participate in the show.
