NOBLE MOTION -NMD2 Performance

Congratulations to our elite competition dancers on their performance in Houston at THE MATCH with NMD2. NNMD2 is a Pre-Professional Level Company for dancers ages 13 to 17. The focus of NMD2 is to cultivate the necessary artistic skills and professional excellence of dancers to prepare them for college/professional careers. The programming focuses on building self-esteem, self-confidence, and leadership skills through dance in a positive atmosphere. Students train extensively in contemporary art forms; work with a roster of current choreographers on new works; and perform locally in the Houston area.

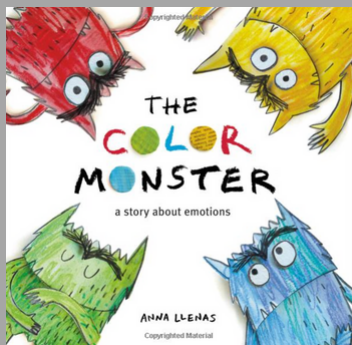

MC ON THE MOVE

We are excited to partner with our first local school, SUMMIT CHRISTIAN ACADEMY, and bring dance to them! This is a new program we are excited to roll out and will continue to grow! We are offering ballet and jazz/hiphop classes during after school programs in 6 week sessions. We are anxious to see the program in more schools in addition to area summer school programs! If you or your school is interested in the program contact Ms. Maggie at info@mcdanceco.com.
