CONGRATS TO OUR RISING STARS, MUNCHKINS & COMPETITIVE TEAM ON A GREAT FAIR ON SQUARE PERFORMANCE!

Growing Together in Season 10

One of my favorite things about October is seeing our dancers begin to settle into their classes. Familiar faces become friends, routines become more comfortable, and little moments of progress begin to shine. A dancer walks into class independently, tries a challenging skill, or raises their hand with confidence—and we get to celebrate!

These moments remind me that dance is about so much more than learning steps. It is about building confidence, practicing perseverance, and discovering what is possible with encouragement and dedication.

As we celebrate A Decade of Dance, I am grateful for the families and teachers who make MC Dance such a special place to grow. October brings opportunities to learn, celebrate, and have fun together. Thank you for being part of our Season 10 story!

Parent Corner: Progress Takes Patience

Still helping your young dancer adjust? It can take six to eight weeks to feel comfortable with a teacher, classmates, and a new routine. Keep attendance consistent, make goodbyes brief and positive, and celebrate small victories. Confidence grows one class at a time!

SEASON 10 Spotlight

Nora Payne
2017 - 1st day of class

We love celebrating our MC Dance family—on and off the dance floor! Send us dance photos and memories from over the years, special accomplishments, favorite hobbies, or other activities your dancer enjoys. Help us get to know your dancer and celebrate what makes them unique! Email info@mcdanceco.com with photos, your dancer's name, and a few details for a chance to be featured in our newsletter or on social media.

COMPETITION TEAM Fundraisers

Pizza Fundraiser — October 7 & 21
Use code TXFUND when ordering online. Twenty percent of sales comes back to MC Dance, with funds divided equally among the team.

Pie in the Sky — Orders Due October 30
Get your Holiday Pies from one of our competitive team members. $30 each
