STUDENT EVALUATIONS MARCH 6 -10

March 6 - 10 teachers will be doing student evaluations. This is something dancers should not stress about. **IT IS NOT A TEST!!** Evaluation help us see how our dancers are doing and how well our staff is teaching material to our students. . This will help us make improvements to our curriculum, but also let us see what our students are accomplishing and maybe need more help in.

Class Sample evaluations are available here:
