

Happy New Year!

As we step into the New Year, we want to pause and reflect with grateful hearts on all that was accomplished in 2025. None of these milestones would have been possible without the incredible support of our MC Dance families. Your trust, encouragement, and commitment continue to shape not only our studio but the lives of every dancer who walks through our doors.

This past year was truly one for the books. Our Christmas production was our most successful yet, with record-breaking participation and an unforgettable experience for our dancers and families. We celebrated an increase in enrollment, welcomed new dancers into our growing MC Dance family, and were thrilled to open our new parking lot—making arrivals and pick-ups smoother and safer for everyone.

Our competition teams reached new heights in 2025. We saw increased participation across our teams, dancers competing confidently at the elite level, and incredible success on the national stage—including Grand Champion titles and multiple technique awards. Watching our dancers pursue excellence with integrity, teamwork, and humility has been one of our greatest joys as educators.

Looking ahead, we are filled with excitement and purpose for the year to come. Our goals include continuing to grow while preserving the family-centered culture that defines MC Dance; expanding elite-level training and performance opportunities; strengthening technique and artistry across all programs; enhancing our facilities and resources; and creating meaningful opportunities for our dancers to serve and connect within the community.

Above all, we give thanks to God for His faithfulness and guidance throughout this season. We pray that the year ahead is filled with growth, protection, joy, and purpose for each of our dancers and families. Thank you for allowing us the privilege of pouring into your children and partnering with you in their journey.

We look forward to another year of dancing, dreaming, and growing together.

With gratitude and blessings,
Ms. Maggie & The MC Dream Team ✨
